Data Package

Reliable Data. Your Way

Flexible access to Diesel Technic product, price & stock information.

The **Diesel Technic Data Package** offers secure access to essential business data via **HTTP/SFTP server**. You receive structured **CSV files** containing up-to-date information – ready for **manual** or **automated** integration into your system.

Key Features

- ✓ **Product data** – full product range with detailed information
- ✓ **Pricing information** – up-to-date and customized
- ✓ **Stock information** – current availability for reliable planning
- ✓ **Data updates** – individually selectable intervals (every 4 weeks, daily, hourly, etc.)
- ✓ **Usage** – supports both **manual download** and **automated import**

Your Benefits

- ✓ **Flexible data access** – via HTTP or SFTP
- ✓ **Always up to date** – with individually adjustable update frequency
- ✓ **Custom integration** – into your ERP, shop or catalogue system
- ✓ **Time-saving** – no need for manual data entry
- ✓ **Reliable planning** – with real-time stock and price insights

Data Package – The right data, at the right time, in the right format.
