Expand Your Reach. Increase Sales.

As a Diesel Technic Partner, you can now offer your customers the full range of DT Spare Parts products – through your own **branded Partner Shop**.

- ✓ **All product data in one place:** Real-time access to prices, availability & product info
- ✓ **You sell – we fulfil:** Diesel Technic handles the complete order and delivery process
- ✓ **More sales opportunities:** e-commerce as an addition to your local trade (multichannel)
- ✓ **Tailored to your brand:** Shop interface can be customised to match your look & feel
- ✓ **Full product portfolio:** Everything available from Diesel Technic, ready for your customers

The Partner Shop is connected to the ERP system of a Diesel Technic entity, ensuring seamless processes and up-to-date information.

Your Benefits at a Glance

- ✓ Immediate offer of **45,000+ products**
- ✓ **All product information always up to date**
- ✓ **No internal efforts** – no storage, packing, or shipping
- ✓ You **just write the invoice** – we do the rest
- ✓ **Time saving** for your sales, back office, and logistics teams
